

VACANCY

Production Operative

LOCATION: Llandybie
HOURS: 40 hours per week
DURATION: Permanent

The Company:

Morgan grp Ltd is an Award Winning progressive company who is a market leader in their specialised fields, encompassing Morgan Marine Ltd, PSF Wales Ltd and Envico Engineering Ltd.

Together we design, manufacture & install Steel and GRP housings amongst other diverse products. Our Primary client base includes the Utilities and Construction sectors. Morgan grp is an ambitious, dynamic and professional organisation with over 50 years of manufacturing expertise.

As the Group continues to flourish and our client base expands throughout British & Global markets, we are looking to strengthen our Production Team with a Production Operative.

The Role:

Based in our busy Production Department in Llandybie, you will be required to assist the various production teams. Duties will range from Laminating to assembling panel form kiosks, fitting locks, roofs and other components, using power tools when necessary. 40 hours per week minimum (over five days).

The Person:

You will possess good all round DIY skills. Experience in GRP, manufacturing or construction industry an advantage although not necessary as full training will be provided. An excellent team worker, with the ability to work to deadlines and be adaptable in your approach to the tasks required of you.

The Package:

Meets with minimum wage requirements. Hourly rates will increase following a successful probationary period. We also offer a competitive benefits package including 31 days holiday (increasing to 33), attendance bonus, life insurance, pension.

Closing date for applications: 14 August 2017

In all cases please apply sending a C.V and application form to:

Ms Gene Parker, Morgan GRP, Llandybie, Ammanford, Carmarthen SA18 3GY

E-mail: genep@morgan-marine.com

Morgan GRP Ltd is an equal opportunities employer.
