

Experienced: Senior Production Manager

LOCATION: Llandybie, South West Wales (Scenic location, 6 miles from the M4)

HOURS: 40 hours per week

DURATION: Permanent

The Company has an enviable pedigree stretching back more than 50 years, Morgan Marine is the UK's leading designer, manufacturer and installer of GRP and steel LPCB security-rated enclosures and door sets, to protect Critical National Infrastructure and sites where security is paramount.

The company has been providing equipment-housing solutions to the leading names in Utilities, Construction, Rail, Nuclear and Renewables since 1965 and is an approved supplier to every provider within the water industry. As a key employer in the South Wales region we are proud of our, enviable reputation within the manufacturing industry, stellar record of staff retention – many of our employees have been with us for several decades and more than a third have been with us for more than 10 years, commitment to meaningful training, development and career progression.

The Role is to effectively manage the Production and Site operations of the business, including scheduling, manufacturing and quality assurance to ensure that business objectives are met. Also, to ensure that all statutory requirements and customer expectations, with regard to quality, health and safety are met or exceeded.

The Person must be organised, efficient and proactive, with the ability to communicate at all levels, in writing, face to face and on the telephone.

Essential Skills will include:

- Minimum 5 years' experience in manufacturing management, including at least 2 years working in an ERP environment
- Commercial understanding of key cost drivers and KPI's
- Experience of Quality Management Systems
- Health and Safety management and risk assessment
- Employee performance management, development and coaching skills
- Full driving licence and own car

Package: We offer a competitive benefits package including 31 days holiday, life insurance, attendance bonus, sick pay and pension.

Salary Range: From £40,000 (Dependent on level of experience)

Closing date for applications: 18th September 2017
